

Embedded Literacy and Numeracy Whole-of-Organisation Framework

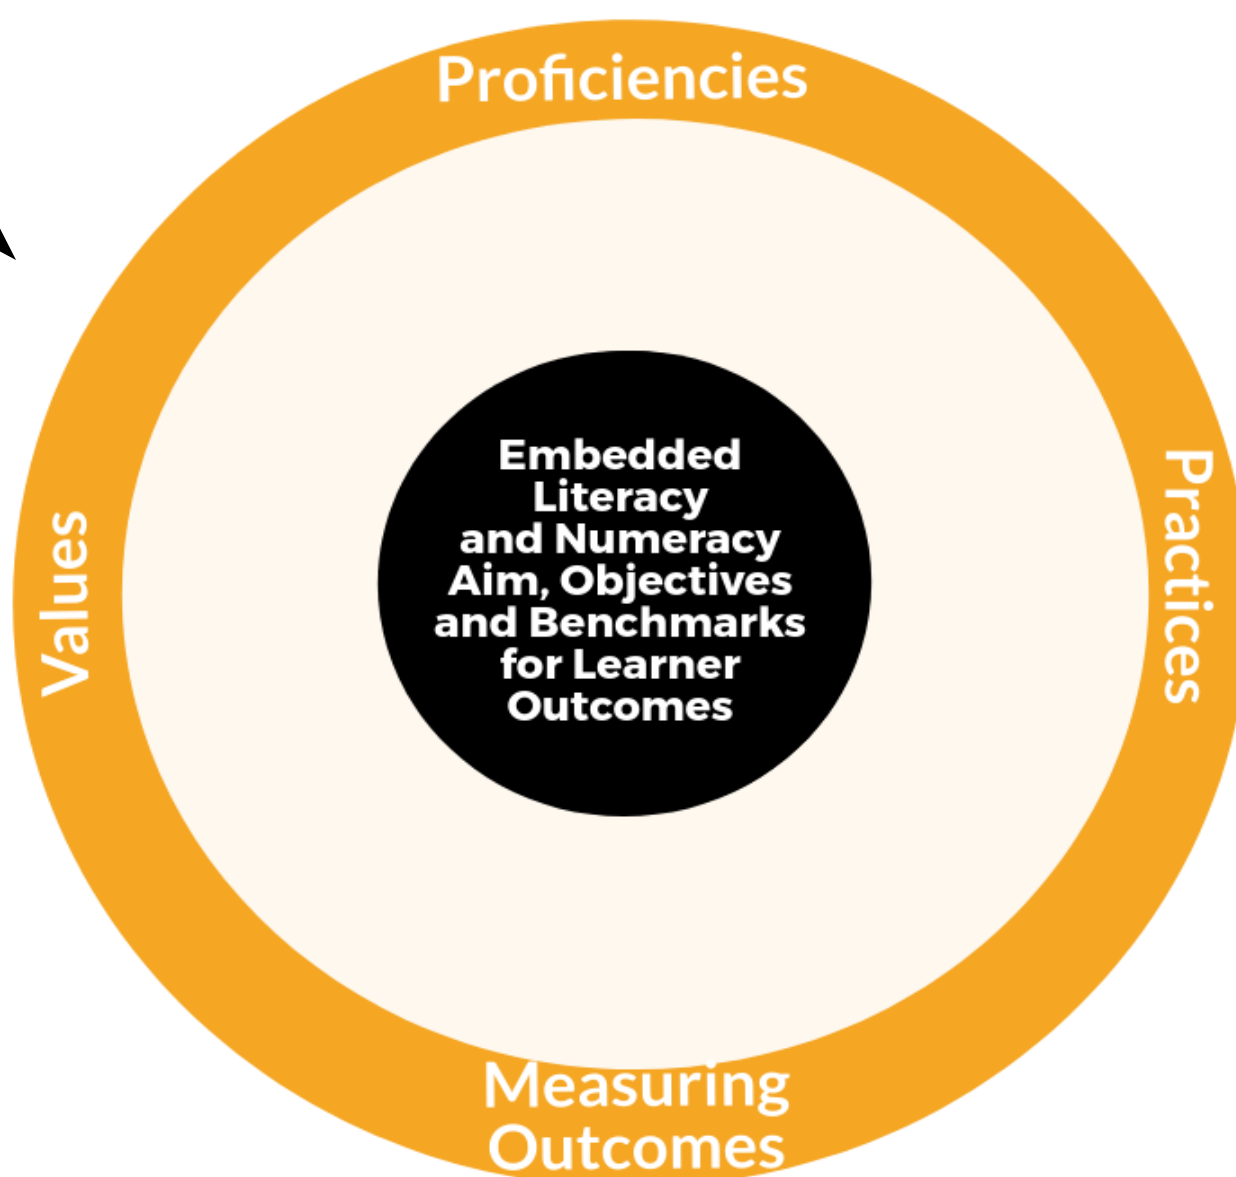

1 The Inner Circle

At the centre of the Whole-of-Organisation Framework are the organisation's Embedded Literacy and Numeracy (ELN) aim, objectives and benchmarks.

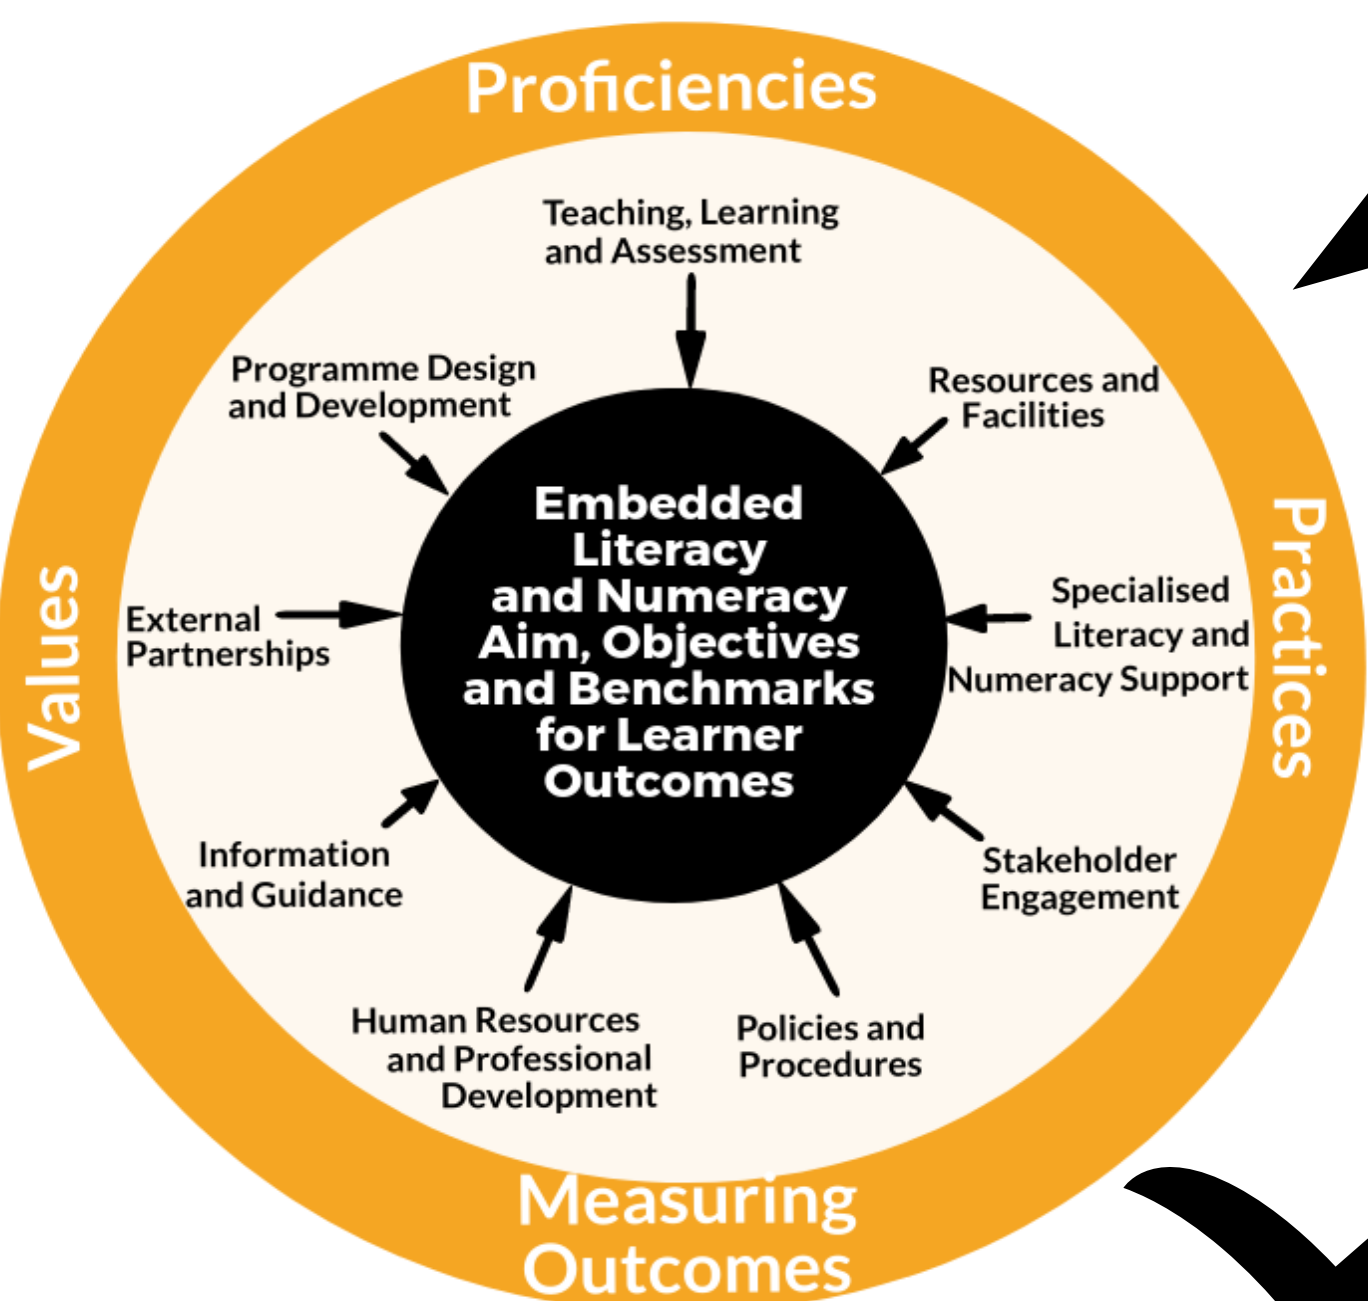

2 The Outer Circle

The outer circle pictures the measurement of the outcomes of the organisation's embedded literacy and numeracy practices against their aim, objectives and benchmarks.

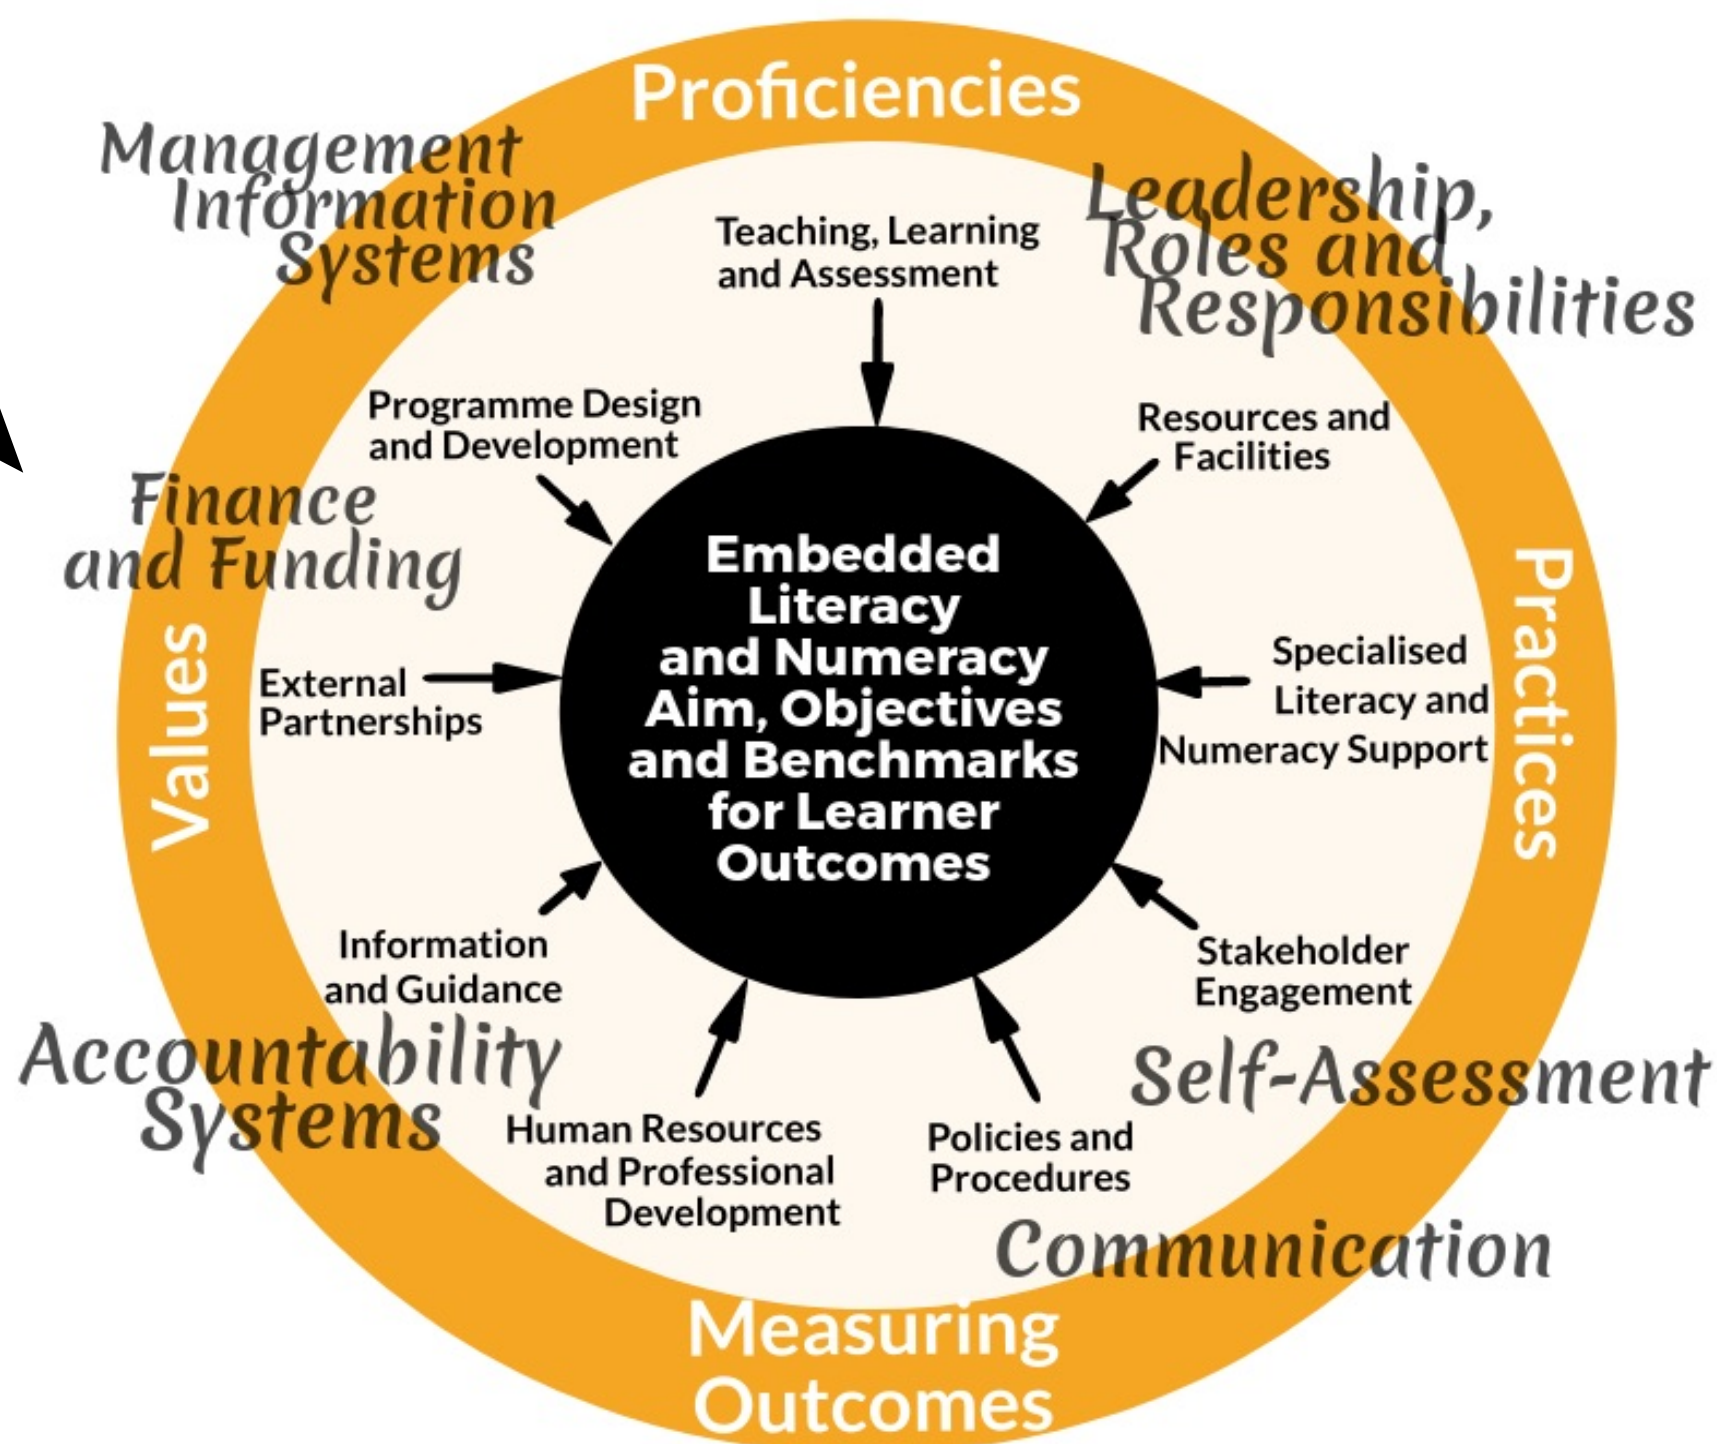

3 In Between

Between the inner and the outer circle are the practice areas within an organisation that contribute to achieving the aim, objectives and benchmarks.

4 Across

Across the three concentric circles are 'ways of working together' that weave the aim, objectives, benchmarks, practice areas and outcomes into a systemic and sustainable approach to ELN.
