

# Adult Literacy, Numeracy and Cultural Capability (ALNACC)

The ALNACC PLD uses a 'kono' metaphor drawn from te ao Māori or the Māori world. It refers to a small woven harakeke basket used for gift offerings.

In this context, the kono represents a PLD package consisting of several **4-week courses** at a range of skill levels, which align with Tapatoru, the new Foundation Learning Professional Standards Framework.

The foundation learning professional standards awards cover four different papa/skill levels of practitioners working within a variety of contexts, including:

- **Papa 1/Level 1:** Pastoral care or learning support staff with no or limited teaching responsibilities or new practitioners
- **Papa 2/Level 2:** Teaching and learning support practitioners seeking to expand their understanding and practice
- **Papa 3/Level 3:** More experienced practitioners seeking to extend or verify their understanding and practice as well as a relevant specialisation
- **Papa 4/Level 4:** Highly experienced practitioners with a demonstrated record of effective leadership in the field of foundation-level education.

To find out more about the ALNACC PLD courses go here:

Online	29 July - 23 August

## Workplace literacy and numeracy

Wellington	3 September - 30 September
Online	6 September - 3 October

# Professional Learning and Development courses

---

PAPA/LEVEL

## Reading comprehension

2

Explore effective reading strategies to transform your learners from passive to active readers. Learn what strategies you can teach, how you can teach them, and how cultural values can be integrated into this process.

ALSO AVAILABLE AS AN IN-HOUSE COURSE

## Reading difficulties

3

This course will help you guide learners on the road to reading excellence. Learn strategies to help you identify and teach learners with a range of reading difficulties. Discuss how to conduct diagnostic assessments, screen for dyslexia and support learners in culturally inclusive ways.

## Numeracy toolbox

2

Boost your numeracy lessons and develop a sound understanding of proportion and proportional reasoning, including how it relates to measurement, ratio and fractions, decimals and percentages. Use assessment to identify learner skills, design effective plans, and create a 'toolbox' of fun strategies and activities.

## Enhancing Māori cultural capability

2

Build your confidence to better support and engage with your Māori learners. At the same time, increase your cultural awareness of Māori knowledge, values, and learning/teaching methodologies. Unpack the online modules within our Māori Cultural Capability Pathway (MCCP) - Ako (learning/teaching), Manaakitanga (caring/uplifting each other), Rangatiratanga (empowering students) and Whanaungatanga (relationships) - and apply these to your teaching context.

ALSO AVAILABLE AS AN IN-HOUSE COURSE

PAPA/LEVEL

## Literacy and numeracy for adults assessment tool

2

An introduction to this free, national literacy and numeracy assessment tool and the related Learning Progressions framework. Become familiar with the assessment options available within the LNAAT and how to choose the most appropriate options for your students. Learn how to introduce and explain the benefits of the LNAAT and assessments to your learners.

## Spelling and how to teach it

2

Develop an interest in spelling amongst your learners through this practical course that addresses why spelling is important. Explore the basics of English language structure and develop spelling strategies to embed into your everyday teaching.

## Pacific cultural centredness pathway

2

Gain an understanding of the key values from the seven major Pacific nations in Aotearoa - Samoa, Fiji, Cook Islands, Niue, Tokelau, Tonga, and Tuvalu - and an appreciation of the unique values that define each one. Consider strategies to support Pacific learners and engage the wider community at an individual and organisational level.

ALSO AVAILABLE AS AN IN-HOUSE COURSE

## PAPA/LEVEL

### Financial wellbeing

2

A space to talk safely about money and, in particular, the Pacific peoples' way of seeing how money works. Discuss relevant tools and strategies that enable learners to make informed and good decisions about money along with learning activities and helpful links to help them develop their own financial planning and resources.

### Mastering workplace literacy and numeracy

3

Equip yourself to deliver, fresh, engaging, and effective workplace literacy and numeracy tuition. This course introduces models to support the design and delivery of contextualised provision, includes a range of instructional approaches and activities, and introduces resources to support ongoing effectiveness and innovation.

### Industry training series: Literacy and numeracy for those in non-teaching roles

2

For ITO staff in non-teaching roles who require a firm understanding of the issues surrounding adult literacy and numeracy, explore the ways in which low literacy or numeracy skills impact individuals and workplaces. Discover the features of the NZ literacy and numeracy infrastructure along with approaches non-teachers can use to support trainers, learners and apprentices.

### Putting the Tapatoru into practice

Take an in-depth look at the Foundation Learning Professional Standards Framework including why we need professional standards for practitioners. Learn about the different levels of Tapatoru, the different awards available and how to begin putting together your portfolio of evidence for assessment against one of the four skill levels.

ONLY AVAILABLE AS AN IN-HOUSE COURSE

### Developing and assessing statistical and measurement skills

Refresh your own knowledge and discover strategies and activities to develop learners' statistical and measurement skills. Improve your understanding of the assessment criteria for Unit Standards 26626 and 26627 and how to collect appropriate evidence.

ONLY AVAILABLE AS AN IN-HOUSE COURSE
