Our PLD advantages

We encourage and enable the growth of skilled, culturally capable educators, managers and support staff with our wide range of public workshops. The benefits of our PLD include:

Identified Needs: We partner with experts to identify learning and development needs, and then create programmes to suit.

Manageable Schedules: We schedule times to suit, and sessions are short to fit around busy work lives.

Accessible Delivery: We deliver online to minimise disruptions and reduce attendance costs.

Support Diversity: We utilise networks to deliver programmes that support cultural diversity and capability building.

Build Impact: We encourage participation across many organisations to enable the sharing of ideas and approaches.

Good Value: We provide very good value with our affordable fees, and payment options for credit card or invoice.

Rewarded Learning: We reward your new skills and knowledge with digital 'badges' and credentials. More at ako.ac.nz/digital-badges
